

Preschool Transition Program

What is Wondertree Preschool Transition Program?

Our Preschool Transition class for young children is developmentally age appropriate, stimulating, and exploratory. This is their first step to an educational and communal environment. Led by expert teachers, the class features engaging, fun and group activities - from imaginative play, dance, to story-time, and even science projects. Each month, we explore a different educational theme. This is a wonderful stepping-stone to preschool or kindergarten.

Our Philosophy:

The philosophy of learning at Wondertree Kids is eclectic. It is based on the belief that healthy human emotional development is dependent on secure, empathetic and nurturing relationships. An environment that is structured and predictable is required if children are to develop a balance between dependence and independence.

Perfect for: Children Ages 2 - 3.5	Current Times: Mondays & Wednesdays 9:00 - 11:00AM/11:30 - 1:30PM Tuesdays & Thursdays 9:00 - 11:00AM/11:30 - 1:30PM	Pricing, dates and more... Two Days per Week: \$270.00 per Month Four Days per Week: \$450.00 per Month
---------------------------------------	--	---

What it's all about?

Your child will be set up for success in this program. It's an amazing opportunity to build a strong foundation of socialization skills in a group setting. Each child is grouped with a special friend/educator with up to six children per educator. These small groups form the small circle groups and snack tables of the children. Wondertree will work with both the child and the parent in the separation/transition process in a nurturing manner.

Holidays:

All Major Holidays are observed. Please see our Holiday Schedule.

Classes fill up fast please call (310) 535.0001 to reserve your spot or put yourself on a waiting list!
